

# JANUS FILTERS CARTRIDGES

## PURTREX DEPTH FILTRATION

Long-life, low cost, additive-free

Polypropylene

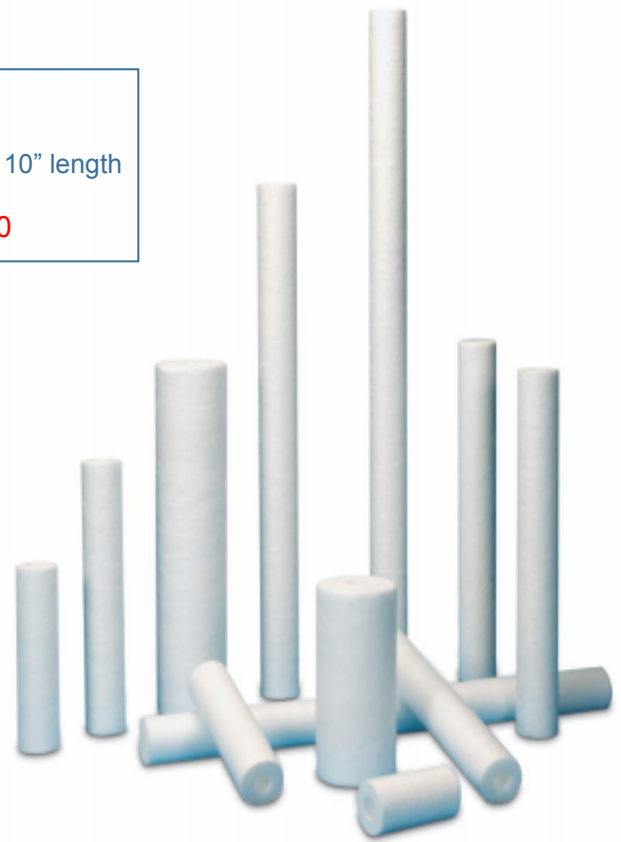

60°C

The Purtrex depth filtration cartridge meets the requirements of the most non-critical applications or as an economic pre-filter, where long life, high purity and low changes outs are required.

Using FDA approved materials meeting NSF standard 42, Purtrex contains no anti-static, wetting agents, solvents or blinders offering outstanding value and flexibility.

EXAMPLE:  
10 Micron CARTRIDGE, 10" length  
Ordering Code: **PX10-10**
